

Commonly Questioned I-Star Error Codes/Descriptions

Error Code	Description	What does this mean?	What do I do?
F-025	Section 14-7.03 Eligibility Items is/are Missing or Invalid.	The DCFS file that ISBE gets is a month behind so these could or could not be legitimate errors.	This error refers to the match ISBE makes with the DCFS file. If you are reporting an orphan and it is not listed with DCFS, you will get this error. Jamie Johnson at ISBE (jjohnson@isbe.net) can help check the DCFS file for you.
F-027	Section 14-7.03 Eligibility verification is NOT complete.	The DCFS file that ISBE gets is a month behind so these could or could not be legitimate errors.	This error refers to the match ISBE makes with the DCFS file. If you are reporting an orphan and it is not listed with DCFS, you will get this error. Jamie Johnson at ISBE (jjohnson@isbe.net) can help check the DCFS file for you.
F-050	No Student Enrollment information found in SIS	SIS does not have an active enrollment for this student	SIS personnel at the district need to create an active enrollment for the student.
F-051	No matching Student Enrollment found in SIS for serving RCDT and date range of {date} to {date}	The date ranges in SIS for Service Provider do not correlate with the FACTS dates for Serving District	If the SIS dates for Service Provider are correct then the FACTS dates should be edited to match SIS. If the FACTS dates for Serving District are correct then the SIS dates should be edited to match FACTS.
F-052	Include on Approval = false, Status set to Disapproved	If the 'Include in Approval' check box is unchecked then the record is not intended to be reported and will be disapproved.	Nothing. This should be the intention when tracking students, but not reporting them.
F-072	Begin Date out of range for school year	The begin date does not fall within the official public calendar dates.	Check the begin date and make sure that the first day is a pupil attendance day (X), not teacher institute day or before.
F-084	Over-lapping Begin Dates with another record for this Student	Another district has an active FACTS record for the student.	Contact the other district and have them end the record they day they left or delete the record if they never attended the other district.
F-145	Student not found in SIS for Resident RCDT	The first 11 digits of the SIS Resident RCDTS does not match the RCDT code you are reporting for Resident District in I-Star.	If I-Star is correct, the Resident RCDTS in SIS needs to be adjusted to match the FACTS record. If SIS is correct, then the Resident District in I-Star needs to be adjusted.
F-146	Student not found in SIS for Serving RCDT	The SIS Serving RCDTS field needs to match the RCDTS for Serving School in I-Star and/or the SIS Service Provider needs to match the first 11 digits of the I-Star Serving District.	If I-Star is correct, the Serving RCDTS needs to be adjusted to match the FACTS record. If SIS is correct, then the Serving School needs to be adjusted to match SIS.
F-147	Begin Date is too early for SIS enrollment	The FACTS begin date in I-Star is before the enrollment start date in SIS.	If SIS is correct, then adjust the begin date in I-Star. If I-Star is correct then adjust the begin date in SIS.
F-148	End Date is too late for SIS enrollment	The FACTS end date in I-Star is later than the exit date in SIS.	If SIS is correct, then adjust the end date in I-Star. If I-Star is correct, then adjust the exit date in SIS.
W-008	Private Facility is approved residential only	The FACTS record is using a residential only private facility code indicating that the claim should be done in IWAS, not I-Star.	Nothing. This is just a Warning and does not cause the record to be disapproved but you cannot make a claim in I-Star. Only the approval is reported in I-Star.
W-035	End Date is later than today's date.	The FACTS record has an end date in the future.	Nothing. Tracking dates in the future is acceptable and this is only a warning.

W-036

Begin Date is later than today's date.

The FACTS record has a
begin date in the future.

Nothing. Tracking dates in the future is acceptable
and this is only a warning..
