Permissions Are On for June 28th Transmissions

Permissions are now on for the June 28th *Personnel Approval* and **FINAL FACTS Approval** transmissions.

Per the recent ISBE Memo “June 28, 2013 - final transmission of all regular term student approval or students who entered a summer school program prior to June 30. This includes changes to start and end dates, term codes, fund code changes, addition of related services (e.g., special transportation) and private facility codes. After June 28, 2013 the student approval file for the 2012-13 regular term as well as for students who entered summer school programs prior to June 30 will be closed and will not be reopened for any changes.”

You may transmit as many times as necessary until the end of business on June 28th. If you are a member of a Super Site, your Super Site may have designated an earlier due date.

Final Transmission Tip: Special Transportation

In order to claim special transportation for a student, special transportation must be included in the IEP and the Related Service of (25) must be reported on the student’s *FACTS Approval* record by the June 28th *FINAL FACTS Approval* transmission.

If a district is providing special transportation for Private Facility students, the claim is done via the ‘Pupil Transportation Claim Reimbursement System’ (PTCRS).
