#### [iePoint > 2014 Revisions](#)

In order to reflect the changes resulting from the passage of PA 098-0517, any 'N/A' answers to the Independent Living portion of the transition services form will be removed from your data. A new warning will result for students aged 14 ½ who are missing this data. This warning will not prevent file transmission, and it will remain a warning until October 2014. A new report has been added to help you identify students that have missing Independent Living information. This report is titled 'Students without Independent Living State Performance Plan Indicator 13 Data'.

An updated *FACTS Approval Procedures Manual*, as well as the changes document, is now available on our website to reflect the changes to Indicator 13 procedures. To view these documents, click the links below:
