Approval & Reimbursement Fund Codes E & F - Due Monday, July 17th

The Final *FACTS Approval* and *Reimbursement* records for Fund Codes E and F are due Monday, July 17, 2017. In order for a *Reimbursement* record to be collected by ISBE, the *FACTS Approval* record must be listed as “approved”.

It is imperative that you complete “Recheck Edits” and then print the “Student Approval Errors” report in I-Star to be sure the *FACTS Approval* records are error free and “approved”.

The following documents and recorded webinar are available to assist you with completing the reimbursement records for Fund Codes E & F:

ISBE will collect the Final *FACTS Approval* and *Reimbursement* files for the regular term for Fund Codes E and F at the end of business on Monday, July 17, 2017.

If you need assistance with completing this claim, please contact Harrisburg Project at (800) 635-5274 or by email support@hbug.k12.il.us.

Creating Cost Centers in I-Star

Cost Centers in I-Star should be created for students whose Fund Codes are Fund E and/or X or if you need to create a tuition bill for a student outside of your resident district. All students receiving services with the student being claimed must be included to the cost center.

If your district does not have Fund E and/or X or does not need to create a tuition bill for another district, you do not need to create cost centers in I-Star.
