December 1 Child Count - Data Pickup 1/31/2018

The December 1 Child Count will be collected by ISBE at the end of business on Wednesday, January 31, 2018. Now is the time to be making sure the student approval data is up-to-date and error free.

To assist you with the data entry process, Harrisburg Project has scheduled 'Preparing for the Child Count Collection' online webinars. These webinars will discuss what information needs to be entered in order for a student approval record to be collected in the December 1 Child Count.
