## Data Correction Period (Fund B, X) Ending Soon!

The Data Correction Period for Excess Cost (Fund X) *Student Claims* records will close on Friday, August 31<sup>st</sup>.

The Data Correction Period for Private Facility (Fund B) *Student Claims* records will close on Monday, September 17<sup>th</sup>.

After the above dates, no additional corrections will be allowed to a *Student Claim* record. Please take a few minutes and review the 'Student Reimbursement Fund B' and/or 'Student Reimbursement Funds X and J' I-Star system reports that are available by going to the *Reports -> Student -> Reimbursement/Claim*. If the amount shown as an estimated reimbursement isn't correct, now is the last chance to edit those *Student Claim* records.

## Rollover to School Year 2018-19 Complete!

ISBE has completed the *Rollover* to School Year 2018-19. Upon opening I-Star, you will now be in the 2018-19 school year. The *Mass Change* process is the responsibility of each district and cooperative. The following instructions should be followed to complete *Mass Change*:

[Mass Change Instructions](#)  
[Mass Change Recorded Webinar](#)

The new feature 'Change Student Approval End Dates' found in the Mass Change section **SHOULD NOT** be completed at this time. This should be used at the end of the 2018-19 school year for students who fall into one of these two categories:

- 8<sup>th</sup> Grade Graduates transferring to High School District
- High School Graduates

Students that have end dates **will not** roll into the new school year. If an end date is put on all student records, every student approval record will have to be re-entered when the rollover to school year 2019-20 is completed by ISBE. If this step was completed in error, please contact Harrisburg Project immediately for assistance at (800)635-5274 or by email at [support@hbug.k12.il.us](mailto:support@hbug.k12.il.us).

## Private Facilities Not Found in School Year 2018-19

ISBE is working to complete the review of the approved Private Facilities for the 2018-19 school year. If the Private Facility is listed in the [Private Facility Search](#) but does not appear in the drop down on the *Student Approvals* record, the review is not yet complete. Once the review is complete, ISBE will update I-Star to reflect the approved facility.

## Student Approval Error: Student Enrollment Not Found in SIS

Do not be alarmed if every *Student Approval* record in your database shows the error 'Student Enrollment Not Found in SIS'. This means the district SIS Administrator has not completed the initial enrollment upload to the SIS database. SIS does not require this initial upload to be completed until October 16<sup>th</sup>. Once the upload is completed 'Recheck Edits' will update all student records based on the uploaded information.

## Deleting a Student Record in 2018-19 School Year

The process to delete a student not returning to special education in your district for the 2018-19 school year is now easier in I-Star! It is **NOT** necessary to enter the *End Date* and *Exit Code* in the 2017-18 school year; that information will be entered in the 2018-19 school year. To delete a student record, search for the student then simply click the **Red X**:

Actions	Year	Student Name	SIS Id	Resident RCDT
  	11 13			12-040-0010-26

Before I-Star will allow the record to be deleted, the *End Date* and *Exit Code* must be entered in this box that will appear at the bottom of the *Student Approval* record. *Exit Code* of 20 is not a valid reason for a student that isn't returning to special education in your district.

Prior Year Exit data					
Resident District	Fund Code	Facility Code	Begin Date	End Date	Exit Code
	X		3/14/2018	Current: <input type="text"/> New: <input type="text"/> MM/DD/YYYY	Current: <input type="text"/> New: <input type="text"/>
<input type="checkbox"/> I do not have prior year information available. This will be required by 10/01/2018					

If you do not have the correct *End Date* and *Exit Code* select the 'I do not have prior year information available' box. This will allow you until October 1, 2018 to enter this information. If you do need to enter the information at a later date, that will be entered into the 17-18 school year.
