Data Correction Period (Fund B) Ends Today!

The Data Correction Period for Private Facility (Fund B) *Student Claims* records will close today at 11:59PM.

After today, no additional corrections will be allowed to a *Student Claim* record. Please take a few minutes and review the 'Student Reimbursement Fund B' I-Star system report that is available by going to the *Reports -> Student -> Reimbursement/Claim*. If the amount shown as an estimated reimbursement isn't correct, now is the last chance to edit those *Student Claim* records.

2017-18 Special Education Exit Data—Due September 28!

Providing Exit Data in the 2018-19 school year is now easier in I-Star! It is **NOT** necessary to enter the *End Date* and *Exit Code* in the 2017-18 school year; that information will be entered in the 2018-19 school year. To delete a student record, search for the student then simply click the **Red X**:

Actions	Ind	Student Name
  	11 13	Adams, DemoSabine Isa

Before I-Star will allow the record to be deleted, the *End Date* and *Exit Code* must be entered in this box that will appear at the bottom of the *Student Approval* record. *Exit Code* of 20 is not a valid reason for a student that isn't returning to special education in your district.

Resident District	Fund Code	Facility Code	Begin Date	End Date	Exit Code
12-017-0010-26 Hutsonville CUSD 1	A		8/18/2017	Current: New: 05/04/2018	Current: New: 01-Graduated with Diploma

I do not have prior year information available. This will be required by 09/28/2018

Do not check this box!!! It is not sufficient for the September 28 deadline!!!
