I-Star Student Data - Read Only

The *Student Approval* records and *Student Claim* records will remain as 'Read Only' until ISBE completes the review of the December 1 Child Count data. We expect the data to open for editing later this week; an email announcement will be sent.

Child Count Certification

The December 1 Child Count Certification is scheduled to open March 18th, but we expect this to open no later than this week. Harrisburg Project will send an email announcement when ISBE opens the system for certification.

This must be completed by the district superintendent. Review the following items to prepare for the Child Count Certification:

- District Superintendent should log into I-Star to verify access is correct
- Register for an ['I-Star Child Count Certification' webinar](#) or
- Review a recorded ['I-Star Child Count Certification' webinar](#)
- Review the ['Special Education Child Count Certification in I-Star' instructions](#)
- Contact Harrisburg Project with any questions at (800)635-5274 or support@hbug.k12.il.us
