December 1 Child Count Data Collection

ISBE will begin the weekly December 1 Child Count Data Snapshots in mid January. However, the **FINAL** December 1 Child Count will not be collected until February 26, 2020. No edits will be allowed after this date.

In order to be included in the December 1 Child Count, the student must be receiving services on December 1 AND have an 'Approved' I-Star *Student Approval* record.

Harrisburg Project is currently working with ISBE to finalize the details related to the December 1 Child Count Data Collection. We will be announcing an on-line training schedule in the coming weeks. Be sure to watch for these dates in future news briefings and on the [Events](#) tab on our website www.hbug.k12.il.us.
