December 1 Child Count Certification Compete!

The December 1 Child Count Certification was completed on March 26th! Harrisburg Project would like to say a huge 'Thank You' to each district and cooperative that worked to make this a success! Not only was this deadline met on time, but was met while most staff are working remotely due to the statewide school closure during the COVID-19 outbreak. Without dedicated staff like you, this wouldn't have been possible.

Special Education Data Profile Report Available in I-Star

Please be advised the 2018-2019 Special Education Data Profile is complete. ISBE has released this information into I-Star this year instead of by email. District/Cooperatives can access this report by logging into I-Star, selecting the Reports Tab -> Profile -> LEA Profile; be sure to change the school year prior to running this report:

The screenshot shows the I-STAR Reports interface. At the top, there are dropdown menus for 'Report Type' (set to 'Profile') and 'Report Categories' (set to 'LEA Profile'), along with a 'userID' field. Below this is a table with two columns: 'Select Report' and 'Description'. The table contains two rows: 'Profile of Special Education' and 'Profile of Special Education - State total'. To the right of the table is a 'Report Description' box with the text 'Select a report to see description here...'. Below the table and description box is a 'Reports Filters' section with 'School Year' (set to '2018-2019') and 'Entity' dropdown menus. At the bottom, there are 'Run Report' and 'Clear Filters' buttons.

To review the entire ISBE Memo, use the following link: [Special Education Data Profile](#)

For questions on accessing this report, contact Harrisburg Project at 800-635-5274 or at support@hbug.k12.il.us; for data related questions contact Jamie Johnson at ISBE at jjohnson@isbe.net.
