Fund Codes DEF Claim Corrections Due Friday, 7/30

Harrisburg Project is continuing to send reminder emails to districts and/or cooperatives that have Fund Codes DEF *Student Claim* errors (regular term). Beginning today, we will make courtesy reminder calls to the primary student contact.

The **FINAL** day to correct claim errors is **Friday, July 30th**! No edits will be allowed to claim records for Fund Codes DEF (regular term) after this data pickup.

In the event a claim record is not going to be submitted, please open the *Student Claim* record and uncheck the 'Include Claim' box. This will eliminate future reminder emails.

Student Approval Error Reminder Emails

Harrisburg Project is continuing to send reminder emails to districts and/or cooperative that have *Student Approval* errors for Fund Codes A, K, L, P, N or U records.

These errors must be corrected by the end of business **Friday, July 30th**. No additional edits will be allowed after this data pickup is complete.

Indicator 11 and 13 Data Collection - Friday, 7/30

Indicator 11 and Indicator 13 data will be collected Friday, July 30th. Be sure this data is correct in order to avoid a district finding by ISBE!

Who needs an Indicator 11 record? Any student evaluated during the 2020-2021 school year. Students evaluated but not receiving services until the 2021-2022 school year should have a Fund Code N or U record with the reason not receiving services as 'Pending Placement'.

Who needs an Indicator 13 record? Once a student turns 14 1/2, the transition information should be completed. To review any student that is missing this data or is not 'in compliance' review the following I-Star reports:

- Student -> Errors -> Student Indicator Errors
- Student -> Approvals -> Indicator 13 Not Meeting Requirements
