

- LEA List Maintenance is a District Security Admin function in I-Star and is used to set up serving district and schools for student approval records
- LEA List Maintenance allows users customize drop downs on the approvals for faster and more convenient data entry

Please Note: In order to edit LEA Maintenance, users must be District Security Admins in I-Star and have the Admin button

	Search and Add Serving Districts for use on approvals	
	Click Serving District or School button to see the districts and schools already in your drop down
