

Commonly Questioned I-Star Error Codes/Descriptions

Error Code	Description	What does this mean?	What do I do?
F-016	Disability and/or Gender Code does NOT match Private Facility Approval.	The Private Facility does not list the provided disability/gender code selected and needs to be adjusted.	Double check the disability list of the Private Facility. You will either need to change the disability or contact the facility to see if the desired disability will be accepted. If the facility does not accept the disability you selected, you may have to place the student in a different facility.
F-025	Section 14-7.03 Eligibility Items is/are Missing or Invalid.	The DCFS file that ISBE gets is a month behind so these could or could not be legitimate errors.	This error refers to the match ISBE makes with the DCFS file. If you are reporting an orphan and it is not listed with DCFS, you will get this error. Harrisburg Project (support@hbug.k12.il.us) can help check the DCFS file for you.
F-027	Section 14-7.03 Eligibility verification is NOT complete.	The DCFS file that ISBE gets is a month behind so these could or could not be legitimate errors.	This error refers to the match ISBE makes with the DCFS file. If you are reporting an orphan and it is not listed with DCFS, you will get this error. Harrisburg Project (support@hbug.k12.il.us) can help check the DCFS file for you.
F-031	Reason for Exit is Missing or Invalid	The exit code on the student approval record has not been entered and/or is used incorrectly.	After entering an end date on the student approval record, you must always enter a reason for exit from the drop-down menu.
F-033	Reason for Exit is listed but NO End Date is indicated.	The exit code on the student approval record has been entered, but there is not an end date listed.	Enter the end date on the student approval record.
F-050	Student enrollment not found in SIS for school year	The resident district has not entered an enrollment record	Contact SIS Administrator to have enrollment entered for School Year
F-052	Include on Approval = false, Status set to Disapproved	If the 'Include in Approval' check box is unchecked then the record is not intended to be reported and will be disapproved.	Nothing. This should be the intention when tracking students, but not reporting them.
F-060	Resident District - Student must be responsibility of High School at age 15.	An elementary only district will no longer report a student age 15 as their resident district.	Elementary only districts should end a student the day before the 15 th birthday using exit code of 08. Provide the High School district with the students IEP documentation.
F-072	Begin Date out of range for school year	The begin date does not fall within the official public calendar dates.	Check the begin date and make sure that the first day is a pupil attendance day (X), not teacher institute day or before.
F-073	End Date out of range for school year	The end date does not fall within the official public calendar dates.	Check the end date and make sure that the last day is a pupil attendance day (X).
F-074	Begin Date out of range for private facility & term	Begin Date is not valid for this Private Facility.	Double check the selected Private Facility Calendar's begin date.
F-084	Over-lapping Begin Dates with another record for this Student.	Another district has an active Approval record for the student.	Contact the other district and have them end the record they day they left or delete the record if they never attended the other district.

F-117	DISABILITIES Code 'N' valid for age 3-9	This code may be used only for students ages 3 through 9 who are experiencing delay in physical development, cognitive development, communication development, social or emotional development, or adaptive development.	When the student becomes 10 years old, this code becomes an error. Enter an end date the day before the birth date and create a new I-Star record with the new Disability Code. This is accomplished in I-Star by performing an End/Add.
F-145	Student not found in SIS for Resident RCDT	The first 11 digits of the SIS Resident RCDTS does not match the RCDT code you are reporting for Resident District in I-Star.	If I-Star is correct, the Resident RCDTS in SIS needs to be adjusted to match the FACTS record. If SIS is correct, then the Resident District in I-Star needs to be adjusted.
F-146	Student not found in SIS for Serving RCDT	The SIS Serving RCDTS field needs to match the RCDTS for Serving School in I-Star and/or the SIS Service Provider needs to match the first 11 digits of the I-Star Serving District.	If I-Star is correct, the Serving RCDTS needs to be adjusted to match the FACTS record. If SIS is correct, then the Serving School needs to be adjusted to match SIS.
F-147	No Student Enrollment available for provided dates.	The Approval begin date in I-Star is before the enrollment start date in SIS.	If SIS is correct, then adjust the begin date in I-Star. If I-Star is correct then adjust the begin date in SIS.
F-150	Student Approvals Begin Date is for next school year and has bypassed edits.	The begin date is not within the current school year boundaries.	If district has entered student approval for the next school year, this error can be disregarded. This will not effect data collection for current school year records.
F-154	End date must be less or equal to SIS exit date of {0}	The Approval end date is I-Star is later than the exit date in SIS.	If SIS is correct, then adjust the end date in I-Star. If I-Star is correct, then adjust the exit date in SIS.
F-166	Indicator 11 Data Missing for This Student	Indicator 11 data is required for all student records. I-Star records without Indicator 11 data will result in errors.	<p>Enter the Indicator 11 information for the student.</p> <p>If Indicator 11 data does not apply, one of the following reason codes must be entered to avoid an error:</p> <p>01 Initial eligibility determination was completed prior to August 1, 2006.</p> <p>02 Initial eligibility determination completed when the student was a resident of another district.</p> <p>03 The student was referred from the Child and Family Connections office and the IEP team determined further evaluation was unnecessary. (This code is only applicable for students transitioning from Early Intervention to Early Childhood Special Education at age 3).</p>
F-167	Indicator 11 Errors Exist	You have errors on Indicator 11. This is causing an error on the student approval record.	Review the indicator 11 information and make sure all sections have been answered.
F-168	Indicator 13 is incomplete	More information is needing to be provided for indicator 13.	Review the indicator 13 information and make sure all questions have been answered.
F-171	Education Environment is invalid for this fund	EE Code not valid with selected Fund Code.	Review the Student Approval Manual for the appropriate EE Code based on the selected Fund Code.
W-008	Private Facility is approved residential only	The Approval record is using a residential only private facility code indicating that the claim should be done in IWAS, not I-Star.	Nothing. This is just a Warning and does not cause the record to be disapproved but you cannot make a claim in I-Star. Only the approval is reported in I-Star.
