REVIEW

REVIEW APPROVALS

The approvals included on the report are the error-free approval records for students active on 12/01/25 excluding Fund N & U.

RUN ERROR REPORT

Run an error report to address approval records containing fatal errors. These corrections will not update for the Child Count Snapshot report until the next preliminary report is available.

REPORT

RUN THE CHILD COUNT SNAPSHOT REPORT

Run the newest preliminary Child Count report on Friday and review report to ensure edits made throughout the week are showing as updates on the report.
