

iePoint > 2014 Coming Soon

It is almost that time of year again! Fall is fast approaching and so is the new version of *iePoint >* for the 2013-2014 school year. We are currently working to develop *iePoint > 2014* and it will be released in the coming weeks.

If you have not yet completed *Start New Year*, it is imperative that you log into *iePoint > 2013.1.1* today and get this completed. You will be required to have this completed before updating to *iePoint > 2014*. The installation of *iePoint > 2014* will separate the data years and create the *iePoint > 2014* icon.

Be sure to watch for additional information about the availability of *iePoint > 2014* in the upcoming news briefing articles or separate e-mail announcement.
