Updates Released to I-Star

Updates to I-Star were released by ISBE on March 10, 2017. These updates were the result of excellent communication that we have received from the clients. Please continue to report any upgrades to I-Star that you would like to see in the future and/or concerns that you are currently experiencing with the program.

The updates released on March 10, 2017 can be viewed by clicking the link below:

Claims Training

Harrisburg Project is currently working with ISBE to finalize the claims process in I-Star for the 2016-2017 school year. We highly recommend that your data entry staff, bookkeeping staff, and special education director attend a claims training session since this is the first time the claim will be completed in I-Star.

Please continue to watch the weekly news briefing for the upcoming claims training dates.
