2016-2017 Recorded Student and Personnel Claims Training on Website

Harrisburg Project has recorded each online claim session for the 2016-2017 I-Star claims process for both Student and Personnel. Please remember, the material covered in each claim session is the same so you will not need to watch each session. For your convenience, we have combined the Q&A from each session into one document. If you have been unable to attend a live session or if after starting the Student and/or Personnel Claim process you want to review the information, simply click the link below to access the recording, presentation packet and Q&A:
