### Data Correction Period - Fund B, X

ISBE will allow corrections to Private Facility (Fund B) and Excess Cost (Fund X) *Student Claims* records from August 16<sup>th</sup> - August 30<sup>th</sup>. During the correction period, edits will be allowed to the *Student Approvals* and *Student Claims* records. No new records will be allowed!

### Rollover to School Year 2018-19 Complete!

ISBE has completed the *Rollover* to School Year 2018-19. Upon opening I-Star, you will now be in the 2018-19 school year. The *Mass Change* process is the responsibility of each district and cooperative. The following instructions should be followed to complete *Mass Change*:

[Mass Change Instructions](#)

The students that did not return to special education should be deleted from the 2018-19 school year. To delete a student record, search for the student then simply click the **Red X**:

Actions	Index	Student Name	SIS Id	Resident RCDT
	11 13			12-040-0010-26

Before I-Star will allow the record to be deleted, the *End Date* and *Exit Code* must be entered in this box that will appear at the bottom of the *Student Approval* record. *Exit Code* of 20 is not a valid reason for a student that isn't returning to special education in your district.

Prior Year Exit data					
Resident District	Fund Code	Facility Code	Begin Date	End Date	Exit Code
	X		3/14/2018	Current: New: <input type="text"/> MM/DD/YYYY	Current: New: <input type="text"/>

I do not have prior year information available. This will be required by 10/01/2018

If you do not have the correct End Date and Exit Code when you delete a record, can select the 'I do not have prior year information available' box. This will allow you until October 1, 2018 to enter this information. If you do need to enter the information at a later date, that will be entered into the 17-18 school year.
