2017-18 Private Facility Correction Period Extended

ISBE has extended the correction period for 2017-18 Special Education Private Facility Claims and the 2017-18 Room and Board claims.

The correction period for 2017-18 Special Education Private Facility claims will now end on October 31, 2018.

If you are getting the warning 'W-17 Education Cost greater than Max Tuition Rate', check the Private Facility number. If you have reported the wrong private facility number on the *Student Approval* record, the daily per diem rate could be wrong, therefore the maximum tuition allowed is wrong. If a wrong Private Facility number has been reported, you will need to contact Jodi Whitlow at ISBE (217-782-5256).

Summer 2018 Orphanage Claims Due November 1st

The Summer term Orphanage claims are due at the end of business November 1st. Students reported under Fund Codes D, E, F that attended Summer school in the 2017-18 school year should have a claim record added. In order to receive reimbursement, be sure that your claim record is approved and error free.

Evidence-Based Funding

The State Funding and Forecasting team has created new tools to assist districts with understanding Evidence-Based Funding (EBF):

- Evidence-Based Funding Data Impact Calculator
- Adequacy Target Gap Analysis Tool

These interactive web tools can be found at the following links:

[EBF Adequacy Target Gap Analysis Tool](#)

For questions with either of these tools, please call 217-782-0249.
