Data Correction Period (Fund B) Ending Soon!

The Data Correction Period for Private Facility (Fund B) records will end as follow:

- *Student Approval* records Monday, September 16th
- *Student Claim* records Monday, September 30th

Once this data is 'locked' by ISBE, no further corrections will be accepted. Now is the time to review the student records that are attending a Private Facility before the deadline. Inaccurate data will cost your district funding!

I-Star has the following reports available in the 2018-2019 school year to assist you with making sure this data is accurate and error free:

- *Student -> Errors -> Student Approval Errors Listing -> Fund B*
- *Student -> Errors -> Student Claim Errors by Resident District and Serving School -> Fund B*
- *Student -> Reimbursement/Claim -> Student Reimbursement Fund B*

Please remember the Fund B *Student Claim* record **DOES INCLUDE** the Summer term for 2018-2019!

Do not hesitate to contact us for assistance with I-Star data entry or Fund B student claim calculations at support@hbug.k12.il.us or at 800-635-5274.
