I-Star Student Approval Data Now Open for Edits!

ISBE has completed the processing of the December 1, 2021 Child Count. The *Student Approval* data is now open for editing!

The Final December 1 Child Count for your district is now available from the I-Star landing page by clicking on the *Current Child Count Status* box. To see the final list of students included in this count, review the *Child Count Snapshot by Resident District* report by selecting *Reports -> Application Reports -> Student -> Approval*.

Thank you for making the December 1 Child Count a success; it is a lot of hard work and it is appreciated.

Child Count Certification Now Open!

ISBE has opened the *Child Count Certification*. This is the final step to the December 1 Child Count data collection. The district superintendent or authorized representative must complete this step. The deadline for certification is Friday, March 25th.

To access the *Child Count Certification*, click the *Current Child Count Status* box on the I-Star landing page. Next, select your district, review the data statistics and differences. Once examined, click *Verify Child Count Numbers*. No edits will be allowed to the FINAL December 1 Child Count number listed in the *Child Count Totals*.

Harrisburg Project will host the final *Child Count Certification* online webinar Friday, March 11th at 9:00AM. If you have not attended a previous session, be sure to register on our [Events](#) page.

The instructions for completing the *Child Count Certification* can be printed at the following link:

[Child Count Certification Instructions for Superintendents 2021-22](#)

The recorded webinar can be viewed at your convenience:

Student Claims Training to Begin Soon!

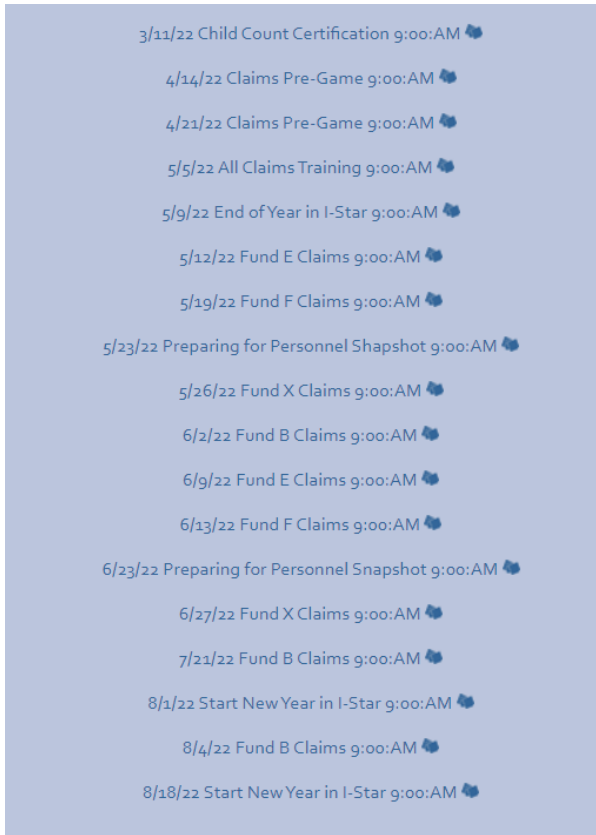

It is hard to believe that it is once again time to start thinking about student claims in I-Star. It is highly recommended that ALL staff working to complete the student claims in I-Star attend an online claims training.

The claims training schedule has been set and is available on the [Events](#) page of our website, www.hbug.k12.il.us. If you feel that a more personal training is necessary for your district, an individual session can be requested AFTER attending an online group training at the following link:
